**VIERA, Fla.** – As Florida approaches nearly 10 million Floridians vaccinated, COVID-19 testing is being transitioned to a locally-led effort through primary care providers, retail and pharmacy locations, and local governments. As a part of this transition, the Brevard County Health Department will continue to coordinate with local community providers to ensure testing access for all Floridians.

### **COVID-19 Testing Sites:**

It is important to note that COVID-19 testing services will continue to be offered at the local level. To see a list of COVID-19 testing sites within ten miles of existing COVID-19 testing sites, click [here](#).
